

BYBERRY MONTHLY MEETING

Volume I, Issue 7

December 2019

H A L L E L U J A H !

Is it sacrilege to invoke the term Hallelujah, (especially in the 12th Month (December)) and use it in the context of something other than the birth of Jesus?

Well, at the sake of sounding irreverent, HALLELUJAH!!!! On Nov 8th the Philadelphia Historic Commission approved our preliminary design for the addition (to install bathrooms and a small kitchen).

THANK YOU to the entire "Renovation Team" for the steadfast determination!!!

Witnessing in the World:
Witness & Civic Responsibilities

What is our Meeting doing:

- To become aware of systemic legal, economic and political injustices in our local community?
- To build relationships with other faith communities around common concerns?
- To reduce polarization within the larger community?
- To work together with others to address injustice?
- To assist in restoring public recognition that government fulfills legitimate functions?

Personally:

- Am I mindful of how my lifestyle, work-life, and investments affect others?
- Am I open to seeking clearness on matters of conscience? Am I open to assisting others in doing so?
- Do I fulfill my civic responsibilities when they do not conflict with divine leading?
