

# BYBERRY MONTHLY MEETING

Volume I, Issue 6

November 2019

## 40 Years Ago

Roni, John and David (10/1989)

We recently received a lovely letter and generous donation from Friends Roni and David, who were married under the care of Byberry Friends - 40 years ago. In their note, the couple expressed their "gratitude to all who have nurtured and supported [their] marriage (but especially Byberry Friends)".

We extend our most sincere gratitude to Roni & David!

## The First BFM Sleeping Mat for Angels In Motion!!!

Such gratitude and appreciation to the AMAZING women who sew, stitch, glue, weave, and do all sorts of handcrafts that are sold with the proceeds being donated to local charities.

This group meets every week, and has an entire basement FILLED with their creations. We are thrilled they have chosen to work on our AIM project.

Thank You to Mary and her lovely ANGELS!!!

### II. Witnessing in the World: Education

#### Our Meeting:

- What does our meeting do to support & improve public education?
- What help do we provide for the children and adults in our meeting to pursue their educational goals?
- What is our meeting's role in support of Friends education? If our meeting is connected to a Friends school or schools, does this relationship nurture spiritual life and the manifestation of Friends principles?
- Do we enable children in our meeting to attend a Friends school? Does our meeting work with the family to consider all available means of support?

#### Personally:

- How do I show my concern for the improvement of public education in my community?
- Do I demonstrate my encouragement and support for Friends education through awareness and service?
