

STAY STRONG and keep an eye out for the rainbows!

This pandemic, too, shall pass!

Once this threat passes, please do come and enjoy quieting the noise of the pandemic... sit in worship in the meetinghouse.

In the meantime, you can join us as we gather in an online community on Zoom for worship on Tuesday and Thursday evenings at 7PM and on Sundays at 10AM. Email us at ByberryQuakers@gmail.com for log-in details, and visit www.ByberryQuakers.org.
