"Together We ARE Stronger"

(As Seen on Byberry Road)

Keeping our Byberry community together — whether in our neighborhood; on Zoom; in the Quarter; Yearly and beyond — there is much comfort in being part of a larger "family". We are excited to see these banners popping-up across Abington Quarter at other Meeting-houses. See if you can find them all!

NEW! Worship Sharing Tuesday

Each Tuesday, following Worship we will discuss a Query. On the first Tuesday of each month, we will discuss that month's PYM Faith & Practice query.

Quaker Corner / Adult Discussion

The Sixth Query: Nurturing Our Community: Stewardship of Resources

In Our Meeting:

- How does our meeting accommodate ecological, economic and social justice in its uses of property, money?
- Does our meeting engage its members in supporting the meeting's work, its ministry and property upkeep?
- Does our meeting encourage members to support, with time, energy and finances, the quarterly and yearly meetings and other Quaker organizations?
- To what extent does our meeting rely on current members and attenders for financial support and to what extent on other sources?

Personally:

- How do I demonstrate in my own decision making a concern for ecological, economic and social justice?
- How do I simplify my needs, making choices that balance self-sufficiency and fair sharing of resources?
- Do I balance my work-life and other activities with time and energy needed for my spiritual growth and service?
- Do I contribute to the work of Friends in my meeting, in the quarterly and yearly meetings and in the wider world of Friends?

Happy Birthday to Our Friends —
