

# BYBERRY MONTHLY MEETING

Volume 2, Issue 7

December 2020

**GIVING TUESDAY is 12-1-2020.** Just about anywhere you look, there is no shortage of need! As you look to support the various causes, we hope you will consider the incredible social change and impact that Byberry has had over the centuries, and looks to implement again. In fact, we are ever so grateful to Mary Ellen for meeting with her financial advisors over recent months, resulting in a significant year-end contribution to take advantage of her charitable giving deductions. Don't forget that because you receive no services or goods, your Assessment is also deemed charitable giving. If you would like to contribute to the matching of the Keystone Historic Preservation Grant (50% must be matched by Byberry Funds) or if you would like to make a contribution towards the installation of our sewer as part of the addition of bathrooms, we would be so appreciative. Need help making this happen? Please do reach out to us with questions!

Reminder: We continue to meet in Zoom on Tues & Thurs @7PM, and Sun @ 10AM for M4W. Email us at [ByberryQuakers@gmail.com](mailto:ByberryQuakers@gmail.com) for the Meeting ID and link.

Let there be PEACE on EARTH,  
and let it begin with me!

Best wishes for a  
happy and healthy  
holiday season.

## Mobile App for the Website

For those who are registered on the website, (ie., regular Attenders and Members), we are excited to announce a new app for the platform. This is a much easier way to take a look at the calendar; to log-in to see the Agenda or Minutes; to find email or phone details of Friends. Remember you need to have registered on the site to have the backend access to all of the Members Only info. Some items will appear on the calendar if you aren't registered, but other items will only appear if you are logged-in. To access the app, using your phone or tablet, go to:

<https://byberryquakers.org/hubb/>

You will be prompted to add your credentials, but then you are all set.

## Quaker Corner / Adult Discussion

### The Twelfth Query:

Witnessing in the World:

Witness & Civic Responsibilities

What is our Meeting doing:

- To become aware of systemic legal, economic and political injustices in our local community?
- To build relationships with other faith communities around common concerns?
- To reduce polarization within the larger community?
- To work together with others to address injustice?
- To assist in restoring public recognition that government fulfills legitimate functions?

Personally:

- Am I mindful of how my lifestyle, work-life, and investments affect others?
- Am I open to seeking clearness on matters of conscience? Am I open to assisting others in doing so?
- Do I fulfill my civic responsibilities when they do not conflict with divine leading?
