

BYBERRY MONTHLY MEETING

Volume 2, Issue 10

March 2021

Last March we reported that we'd been hard at work crafting a Keystone Planning Grant. As you may recall, our application was approved — our assessment of the historic resources is complete, and so, on March 1st we will be submitting another application—this time for a Keystone Construction Grant for the desperately needed repairs to the roof and foundation of Byberry Hall, to preserve this historic gem! Again, we are so grateful to the “village” of Mary Ellen McNish (BFM Trustee & Member), Kate Cowing (Kate Cowing Architect, LLC), Jon Farnham (Phila Historic Commission), Paul Steinke (Preservation Alliance of Greater Phila), PA State Senator John Sabatina, and of course, Karen Arnold of the (PA Historical & Museum Commission).

New QuakerSpeak Worship Sharing

In the early months of Covid, we initiated a Worship Sharing

Tuesday during which we've been discussing many (and varied) topics of interest. We are kicking off March with a “variation on the theme”. We will be watching Quaker Speak videos together on Tuesdays at 7:30, and then taking the opportunity to discuss the topic in depth. Starting on March 2nd, we will be watching “The 9 Core Quaker Beliefs” presented by Arthur Larrabee. We will then take each of the 9 following weeks to cover one belief per week.

Home & Care Support— Are you experiencing hardships during the uncertain times of Covid? Abington Quarter's Home & Care Committee remind Friends (Members and Regular Attenders) that there are financial resources available to those in need. No need to share details with us, just contact us at: ByberryQuakers@gmail.com for the contact details for Home & Care.

AUTHOR DISCUSSION

The March selection is:
“The Woman Who Smashed Codes” by Jason Fagone.

The Zoom Discussion is
Mon. March 8th at 7PM.

**The 3rd Query:
Deepening Our Faith
Spiritual Nurture**

In Our Meeting:

- How does the meeting encourage the use of spiritual practices that deepen our faith, enhance the excitement of shared religious discovery and increase the possibility of spiritual transformation?
- What is the nature of our shared experience of the Divine and how do we nurture our collective spiritual growth and transformation?
- In what ways do we support each other in our spiritual journeys, in our search for God's will and in our efforts to increase understanding of humanity's relationship to life on earth?
- How do we recognize, develop and nurture the spiritual gifts of all in our meeting?

Personally:

- How do I incorporate into my personal and family life those daily practices that focus on continued spiritual growth, including worship, reflection and engagement with writings that nurture the soul?
- How does my spiritual life integrate an understanding of a well-ordered relationship with the earth and deepen my reverence for the interconnectedness of all life?
