

4 Queries for Discussion in Worship Sharing

June 1st and June 8th

Query 1: How do our biases and the systems and structures we live in get in the way of a racially-just community?

Query 2: We Quakers always say we believe in deep listening. How can we use that to better hear people who feel unwelcome or unheard?

Query 3: What is the difference between acknowledging history or historic fact vs memorializing history and historic fact?

Query 4: Since none of us were here back then, what responsibility do we bear now for ensuring that truth prevails or that truth wins out?
