The Twelfth Query

Witnessing in the World:

Witness & Civic Responsibilities

What is our Meeting doing:

- To become aware of systemic legal, economic and political injustices in our local community?
- To build relationships with other faith communities around common concerns?
- To reduce polarization within the larger community?
- To work together with others to address injustice?
- To assist in restoring public recognition that government fulfills legitimate functions?

Personally:

- Am I mindful of how my lifestyle, work-life, and investments affect others?
- Am I open to seeking clearness on matters of conscience? Am I open to assisting others in doing so?
- Do I fulfill my civic responsibilities when they do not conflict with divine leading?
